DATA ANALYST

EDUCATION

Higher Secondary School

GOVT CO-ED Sarvodaya vidyalaya :
2021-2023

Bachelor of Commerce

University of delhi school of open learning :
2023-Currently pursuing

SKILLS

PYTHON

SQL

Data Visualization

Excel

INTEREST

Traveling, Teaching, Games, anime

As a data analyst, I enjoy traveling for new perspectives, teaching for sharing insights, games for problem-solving, anime for creativity, and AI for innovation.

FUTURE GOALS

Machine Learning Engineer

I want to become an ML Engineer in the future to leverage data-driven insights, build intelligent systems, and drive innovation by creating scalable solutions that can learn and adapt autonomously.

PROFILE

I am a Passionate and detail-oriented data analyst with a strong foundation in commerce, I have transitioned into the world of data analysis to leverage my analytical skills and business acumen. My diverse skill set includes proficiency in Python, Pandas, Matplotlib, SQL, Excel, Power BI, and other data analysis tools, enabling me to extract meaningful insights and drive data-driven decision-making.

EXPERIENCE

fresher

PROJECT EXPERIENCE

Railway Station Transactions Data Analysis Project :

Python, Pandas

Analyzed railway station transactions using Python and Pandas to uncover insights and trends.

[See project](#)

Sales Data Analysis Project :

Python, Pandas, Matplotlib

Utilized Python, Pandas, and Matplotlib to analyze sales data and answer key business questions.
